

FARROWING

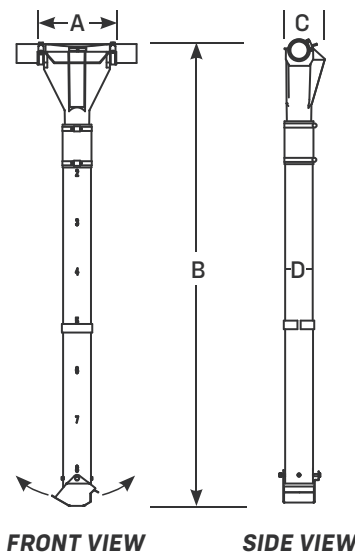

DROP FEEDER

UNLOCK BETTER PERFORMANCE

SAVE TIME, **FEED AND MONEY**

Eliminate feed carts and reduce the cost of labor associated with hand feeding lactating sows with the Farrowing Drop Feeder from AP.

- Available in 6 lb., 8 lb. and 12 lb. models.
- Spring loaded discharge cups for easy open and secure close.
- Each feeder is equipped with an individual slide shut-off.
- Capacity markings on the feed tube for easy indicator of feed dropped.
- Flexible coupler offers easy alignment with feeder.
- Sliding band can be moved on the tube to record the amount of feed previously dropped.
