FLEX-FLO XD

ULTRA UNLOADER

UNLOCK BETTER PERFORMANCE

A NEW TWIST ON A **PROVEN CONCEPT**

XD ULTRA

ORIGINAL

BIGGER AND BETTER

For producers who can't afford downtime, the new Flex-Flo XD Ultra unloader offers an opening that is more than 50% wider, to minimize feed bridging and ensure your operation stays up and running.

■ **MORE GROUND CLEARANCE**

Low profile design allows for easier cleaning and service.

■ **WATER TIGHT SEAL**

Custom-cut gaskets prevent moisture intrusion.

■ **4X WEAR RESISTANCE**

Easy change nylon plates with thicker walls increase product life.

■ **SEEING IS BELIEVING**

Clear boot and access window allow for easy flow monitoring.

■ **EASY TO MAINTAIN**

Change wear plates fast without pulling out the auger.

Retrofit kits are available.
